

Charging system (1.5TGDI+DCT)

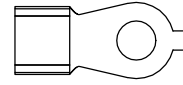

C22 ECU\_1.5T GDI\_C

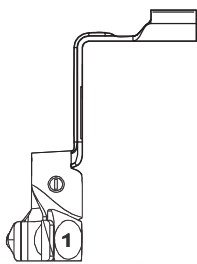

B05 1.5T GDI  
Generator excitation

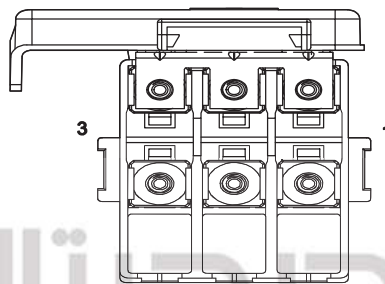

B08 1.5T GDI Generator B+

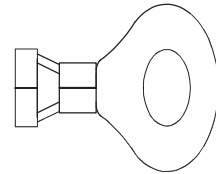

B01 Battery negative connector

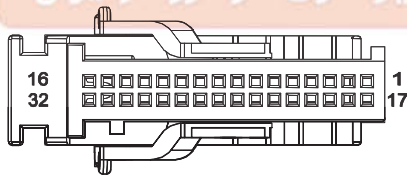

E13 Battery positive connector

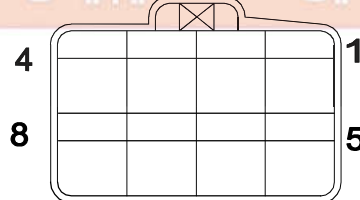

E22 EJB the positive connection  
to connect power head

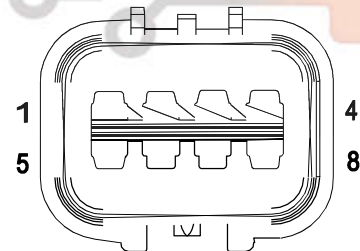

M36 Combined instrument

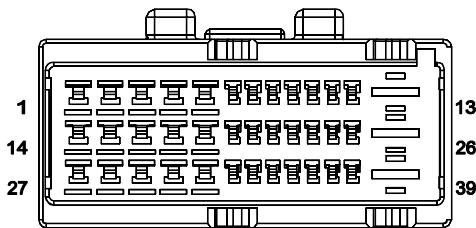

I2\_BE Power harness connection  
engine harness

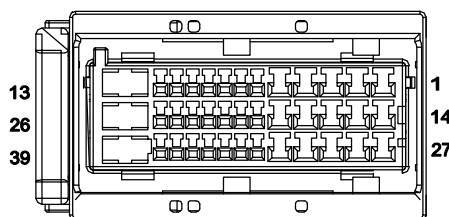

I2\_EB Engine harness connection  
power harness

I1\_ME Main beam connection  
engine harness 1

I1\_EM Engine harness to main harness 1

G21 Put iron battery cathode
